

SPOT THE DIFFERENCE

Just for fun, see if you can spot the 10 differences between these two pictures, A and B. Entering this competition will make much more sense if you've read ["The Gay Men's Health Collective on chemsex, harm reduction, and cultivating more LGBT+ inclusive drug services"](#) at [SSA.ORG](#). Special thanks to [Rob Calder](#) who suggested the idea. Send your entry to admin@gmhc.co.uk marked "Spot the Difference" by 18:00hrs 31st July 2022. Your entry must include a clear and exact description of all the differences you spot on picture B or email a picture file/ PDF circling the differences. The first three correct answers will receive a [GMHC](#) goodie bag containing a PIP PAC harm reduction pack, our new Safer pack, a [MENRUS.CO.UK](#) mug, a MENRUS.CO.UK pin and some biscuits if we can find them. Prizes will only be sent to winners in the UK. If you live/ work elsewhere in the World you may nominate a person or organisation in the UK to receive your prize. One entry per person. GMHC's decision is final.
